Ask questions

Focus on issues, not personalities

Everyone participates

One person speaks at a time. Let speakers complete their thoughts.

Respond to requests of committee in reasonable amount of time

Respect others and listen to other points of view.

Keep communication open

Use sub-communication open

Be professional

Keep your sense of humor

Give feedback in a respectful tone of voice and no negative criticism to members, parents or guests

Come prepared to work

Be patient until all questions are answered

Interactions with the public are subject to the District Civility Policy

2. Voting on the new version of Success Maker (goal #1)

- Purchasing 15 licenses then write a grant to fund the remaining 15 licenses
- Can only use Title 1 Aids for the Title 1 students
- Jen: All the staff should be trained
- High-end headphones will be purchased for students' use

30 headphones at \$40= \$1,200

- Neil: Ask Kevin if the \$8,000 is included in the 30k?
- Janet: suggested running a summer institute
- Jen: I move that we purchase success maker for our school. Neil: I second.
- This will be put on 15 computers located in the computer lab, a morning intervention in the computer lab with a certified teacher will be offered, a possible lunch program, can not be used during regular computer time because it can not be used by
- They don't want general ed seeing Title 1 children using this program therefore we will use dividers

3. Review of Single Plan (goal #2)

- The first half has been updated
- The part this committee should focus on are the five goals:
 - Neil: Confirm the acronym for the SI funds line item
- P3 Change from fulltime to part time library and computer lab
- P4 Drop 2006 & 2007; Include 2009-2010 data API scores adjustment
- Neil: make note that we have a percentage of outside Permitted children, very low percentage of parent involvement because they are out of CC,
 - Ellen: I am not comfortable advertising the percentage of permitted children
 - Jen: Having the district knowing about the permitted children is not an issue but this document is not the place for this to be visible
 - Patty: it creates a segregation among families and children
- Neil: P5 change to "El Rincon will also pilot the Olweus Anti-bullying program." It is not implemented as of this date. Teachers will continually be trained
- P6 Goal #2 ELA modify to say 80% of children
- P6 Goal #2 modify to say 68% of 2nd-5th graders
- P6 Goal #2 ELL will have it's own percentage category:
- P6 Goal #2 SWD Special Ed modify to say 20%
- Jen: Our students with IEP that are not in special day classes are they classified any different in the subgroups?
